Project meeting in Udine

The fourth meeting of the EduSexAge project was held on the 28th of February in Udine, Italy, hosted by Università delle Libertà partner. Now that PR1 is ready, the partners focused on the next Project Results: PR2 – “EDUSEXAGE learning course to empower seniors”, and PR3 – “EDUSEXAGE training for educators, other professionals and informal caregivers”. And at lunch, they had the chance to have a chat with some students who prepared some traditional dishes for them!

HERE'S WHAT WE HAVE BEEN UP TO

PR2 “EDUSEXAGE learning course to empower seniors” and PR3 “EDUSEXAGE training for educators, other professionals and informal caregivers” on the way!

The PR1 “Users’ report” set the basis for the next project results. In fact, both the “Learning course” and the “Training for educators” are documents based on the needs analysis carried out in the first period of the project life. With the aims of increase seniors’ socialization and generate positive attitudes about sexuality, and help and support trainers to understand and address sexual practices and social inclusion as a part of a healthy ageing process, PR2 and PR3 will represent the main outputs of the EduSexAge project.
